**Food or treat allergies:** \_\_\_\_\_

**Chief complaint (biggest problem/concern):** \_\_\_\_\_

\_\_\_\_\_

**Brief history of this problem (Major symptoms, duration, diagnostics (x-rays, blood work), etc) :**

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

**Other major medical history (surgeries, hospital stays, chronic conditions, allergies, etc.):**

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

**What medications is your pet currently taking? Drug name, dosing, and frequency?**

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

**What supplements or nutraceuticals is your pet taking? Name, dosing, and frequency?**

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

Are there any medications or supplements that have not been well tolerated, or have not worked well?

---

---

---

---

---

What are your goals for rehab (i.e., recovery from orthopedic surgery, ability to walk 2 miles again, regain ability to use legs, pain control, avoid surgery, sleep through the night, etc) :

---

---

---

---

---

What else should the rehab team know about your pet? (i.e., nervous about men, dog aggressive, loves to do tricks, very high energy, working dog, couch potato, etc)

---

---

---

---

Diet (type/brand, how much, how often): \_\_\_\_\_

---

Do you think your pet is over weight? **Y N** If so, do you want help with weight loss? **Y N**

Do you think your pet is in pain? **Y N**

If so how would you rank it on a scale from 1-10 (1 no pain 10 worst pain): \_\_\_\_\_

What are features of your home environment we should know about, i.e. stairs, hard wood floors, ramps, etc.?

---

---

---

Normally our records are shared with the patient's primary care veterinarian, occasionally there are other places records should be shared (surgeon, additional veterinarian, etc). Who would you like information shared with about your pet's sessions?

- 1) \_\_\_\_\_
- 2) \_\_\_\_\_
- 3) \_\_\_\_\_

Thank you and we look forward to working with you and your pet! Please come with any additional questions you may have!
